

Product Code: 4802 End of Life

Product Change

This Product Change Notification is to announce the planned discontinuation of parts listed under Product Code 4802, with additional information and next action steps. Most of the parts affected by this communication have been sold for less than three years and are no longer part of Woodward's active managed product roadmap.

Product Support Schedule

Last Time Buy: May 30th, 2025*

- Last Time Buy Shipment: December 31st, 2025.* Based on available stock and availability of sub-components.
- Limited sales of accepted orders by LTB date
- Product Inactivation: January 2nd, 2026.* No replacements available.
- Entire product code group will be made inactive.

*Woodward will continue to fully support the product while under its original factory warranty.

Woodward regrets that it cannot offer any replacement options to our valued customers for this product family. We deeply regret the need to take this extreme action and empathize with the difficulty that this decision may have on our customers. Please contact you CAM/CSR for LTB options (if available).

Customer Action

Prior to January 6th, 2025, contact your local Woodward representative for Last Time Buy opportunities. After January 1st, 2026, the above products will no longer be available for purchase from Woodward, Inc.

*Note – Component obsolescence from electronic manufacturers can present a challenge to post-life support plans. Woodward strives to hold inventory or look for alternative parts when the components are no longer available. However, there are times when components simply cannot be obtained and where sufficient Last Time Buys cannot be made. Unfortunately, in these cases Woodward cannot guarantee the rationalization support plan.
