

Last Time Buy for MotoHawk/ECU Modules

Product Change

Woodward's supplier for ECU's has indicated that production will be stopped in December 2026 due to obsolete components and low volume. A Last Time Buy opportunity will be offered where possible. The following models are impacted:

24 Pins	ECM24	MSIM0401
48 Pins	ECM48, HCM48, GCM48	563 048 xxx
70 Pins*	ECM70 (S12x &5634) Processors	ECM70 and ECM70MI
48 Pin & 80 Pin	ECM0555	ECM071x PCM0802
112 Pins**	ECM112, PCM112	PCM0904-112 PCM112-14

*Not including SECM70

**Not including SECM112

Product Support Schedule

Below are the details regarding items entering a Last Time Buy phase. Once the effective date for inactivation is reached, the affected part numbers will no longer be available for purchase.

Last Time Buy: **Before October 1st, 2026**

- Limited sales (Sell Stop orders)
 - Please note, we may not be able to fulfill all Last Time Buy orders.
 - Do not purchase Last Time Buy orders for new applications.

Final Shipping Date: **March 31st, 2027**

Product Inactivation: **April 1st, 2027**, or when product is out of stock.

Woodward will continue to fully support the product during its original factory warranty period by providing replacement modules while supplies last. If replacement modules are no longer available, a credit will be issued. Customers should consider service stock when determining Last Time Buy quantities. Woodward cannot offer a 1:1 replacement option to our valued customers for this product family.

Affected Units

Tables 1 through 7 include information on all impacted ECU Modules.

Note 1: Stock balances are accurate at the time of the publication of this PCN. Not all may be available at the time of purchase.

Note 2: Additional orderable part numbers can be produced until base part number stock is consumed.
